Health and Safety Plan Review

School Board Meeting
March 28, 2021

Wallingford-Swarthmore School District

Mission and Vision Statements

MISSION

The Wallingford-Swarthmore School District is committed to assuring the academic achievement and personal growth of all students within an environment that promotes:

- Respect for self and others
- Active engagement in learning
- Leadership in the global community
- The pursuit of excellence

VISION

Our vision is to develop a world-class school district that provides students with the skills to succeed in a changing global environment. This vision will be realized through a commitment to high-quality programs and continuous improvement based upon careful analysis and integration of the most effective practices.

Health and Safety Plan Review

CHOP

Children's Hospital of Philadelphia
PolicyLab

"Transitioning back to pre-pandemic ways of life can feel uncomfortable, but it is a necessary part of our collective recovery. It is also a recognition that we'll enter a new phase of this pandemic in the new year, one of recovery and moving toward the conclusion of a pandemic that will never fully recede, but whose impacts we must accommodate to over time in the course of our normal lives."

Delaware County Health Department

Health Department

Delaware County Health Department has not opened as anticipated to serve Delaware County Schools.

The Delaware Health Department is scheduled to be fully operational April 2, 2022 per the Director, Melissa Lyons.

For now, we remain under the PA DOH.
