[Swarthmore Public Library](#)

Click on the above link and scroll to the bottom of the page to register using the calendar.

Read one-on-one to a therapy dog! On the first and third Thursday of each month, children in Kindergarten or above, can practice reading to the best listener - a dog! Therapy dog teams will be at the library to listen to beginning and reluctant readers read a book of their choice. This is also an ideal opportunity for English language learners.
