Flexible Instruction for WSSD

Behind the Scenes

Spring 2020

Flexible Instruction: Making Every Week Count

- March 16-20: Prepare for the Next Phase
- March 23-30: Flexible Instruction Plan released
- April 6: Targeted Review lessons
- Collaborative Planning Sessions
- New Technology PD

Flexible Instruction Launched = New Learning
"We are now looking at a new set of needs, making use of different resources. We need to consider the families that have lost jobs in food services and day care centers. We need to think about the healthcare workers working 65 hours a week and cannot make it to the food pick ups."

- School Social Worker
