Notes:

- School district data is being provided as another way of looking at the data using a different geographic view. This data should not be interpreted as occurring in schools, or on school campuses.
- Public school district data is provided using population data from the 2018 fact finder values found on the Census.gov site.
- For school districts that extend into other counties (Twin Valley, Octorara, and Spring Ford) only the population within Chester County is used.
- Both Kennett Consolidated School District and Unionville Chads Ford School District share population from East Marlborough Township. For these districts, census block data was used to divide the township's population appropriately.
