EVALUATION

Homework

You will have homework daily. Each assignment is worth 4 points. Half credit will be given for homework 1 day late. Anything after 1 day late will not be accepted. Homework will be posted on the board and on my Moodle page. If an assignment is missing online, check with a classmate. It not being online does not excuse a missed homework.

Classwork

You will have various in class assignments/activities that I will collect throughout the course. These assignments will not be accepted after the day assigned.

Quizzes

You will have 2-3 quizzes per chapter, each covering 2-3 sections.

Tests

You will a test at the end of each chapter. We will cover a total of 4 chapters.

Participation

In order to improve in Math, you must use it and be able to explain your process and reasoning. Everyone is expected to actively participate in class.

GRADES

Quarter grades are calculated using total points

Homework	Daily
Quizzes	1 per week
Tests	1-2 per quarter
