### Access prescription benefits online.

Receive round-the-clock access to your prescription history, coverage information, order status, and online refills. When registering, you will need your participant ID number located on your Caremark benefit ID card. By creating a user ID and password when you register at Caremark.com, you can access your personal prescription benefits information — securely, safely, and confidentially.

### Order the fastest refills.

Get the fastest refills online at Caremark.com for your long-term medications! Our mail service is fast, convenient and worry-free. We'll even send you e-mail notifications about orders and refills. Once you log in to Caremark.com, you can begin by printing out a mail service order form. Mail it to Caremark with your doctor's handwritten prescription for a 90-day supply and your first order will arrive at your doorstep. It's that simple. Once your prescription is on file, ordering refills online is convenient, fast and a great way to manage your long-term medications!

### The power is yours!

Visit Caremark.com today and take our online tour. Whether you are new to the online pharmacy or already a registered user, Caremark.com will help you get the most from your prescription benefits. If you have any questions, please visit us at Caremark.com or ask your benefits manager for more information.

### Explore ways to save.

At Caremark.com, you can explore the lowest cost options before you order, or see where you can save on your existing prescriptions. Compare the price of retail vs. mail service, and brand name vs. generic medicines.

### Know your options.

Caremark.com helps you make informed decisions about your health. You can look up detailed health and drug information, and use interactive tools and cost calculators to review your prescription choices and health care options. With your prescription benefits information online, you can find ways to maximize your health care investment.
