

## Homework Club Expectations and Guidelines

**Purpose:** Homework Club students will have a quiet environment in which to complete their homework for the following day of school. Teachers are available to assist the students in completing homework assignments, if needed.

### Guidelines for Homework Club

1. Report to the library ***immediately after school*** with everything you need to do your homework and everything you need to take home. Make sure you know what your assignments are before you come in. ***You will not be permitted to return to your classroom once you have checked into the Homework Club.***
2. You may go to the bathroom or get a drink before entering the library. After you sign in, you must get permission to leave the library.
3. Select a seat and begin working quietly. If you need help, raise your hand.
4. Make sure you have a book or something quiet to do while you are waiting for help or if you finish early.
5. Pack up and get ready to leave when the teacher gives the five minute signal.
6. Wait at the breezeway doors until your ride arrives. If you are a walker, please go right home.
7. If you are signed up to come to Homework Club and you cannot attend, you must bring a note to your classroom teacher or Mrs. Thomas. Excessive unexcused absences will result in a warning (see below).
8. Remember that Homework Club is a privilege. We have a "3 strikes" policy. If you receive three warnings, you will be asked not to return to Homework Club for the rest of the year.

***Thank you for all of your support  
in making Homework Club and NPE the place to be!***
