Hello Parents!

My name is Dan Dudrick, and I am excited to be your child's third grade teacher. I am certain we will make this year an excellent experience. Our “class” philosophy reflects many of the routines and expectations of the tribes of Indigenous Americans. Our “TRIBE” has a chief that organizes and keeps the order of a group of people who work together, helping each other reach common goals.

This year, I will utilize Class Dojo to encourage important skills like working hard and participating. Students will receive daily feedback regarding learning behaviors. I will also use Class Dojo to communicate with parents exclusively. I can share messages, updates, photos, etc. With our increased amount of emails, Class Dojo is a great app for communication. Plus, you can message me at any time, and I will address your concerns quickly. Click to access [Class Dojo](#). (Instructions for accessing Class Dojo will also be in your child’s Materials Bundle.)

Click for instructions for your child to log in to [Google Classroom](#).

If you have any specific questions regarding school supplies, classroom expectations, our daily schedule, or other pertinent topics throughout the year, our [TRIBE website](#) is the best place to check first.

Below is our daily schedule. Synchronous learning times are marked in blue and asynchronous times are marked in black. Please know that our first week of online instruction will be focused on social and emotional activities, so we can establish a positive and welcoming classroom community.

After you pick up your Student Take Home Bundle on **Friday, August 28th, between 9:15 and 10 a.m.** please have your child complete the following Pre-School Projects:

SET UP A LEARNING SPACE - Together with your child, decide where and how to organize your child's materials. You could keep everything in your child's backpack, give them a book shelf, or create a student work desk. These materials should be ready at the start of each school day: Math Textbook and Workbook, Cursive Workbook, notebooks, colored folders, pencil case with sharpened pencils, Chromebook, earbuds and a “Just Right” reading book.

LOGIN TO OUR GOOGLE CLASSROOM - CLICK **HERE** to access our Google Classroom. Make sure your child is logged in to his or her WSSD-Gmail account. Your child's password is their 4-digit lunch code. Our class code is **q5iivsr**. Please have your child login to our Google Classroom prior to the start of school on Monday, August 31st.

NAME TAG - Have your child first write and illustrate their name large enough to be seen while on-screen. This will be worn around your child's neck during our first week of Zoom sessions.

STUDENT ALL ABOUT ME BAG - Students, I am eager to get to know each of you personally. To help me learn more about you, I would like you to prepare an **ALL ABOUT ME BAG**. Use the bag in your Student Pick-Up Bundle and fill it with things about yourself. Please **decorate the outside of the bag neatly and creatively** to symbolize your personality and fill it with **3-5** items that represent you. These items should tell us something about you; things that are your favorites or things that are important to you. Some possible objects to include are books, photos, drawings, miniature toys, etc. It is a great way for us to learn a little bit more about each other. Be creative and have fun with it! Each child will have the opportunity to share their bags with the class on ZOOM during the first week of school.

ZOOM - Please go over the following Zoom Rules with your child prior to the first day of school. We will also review them together as a class. The Zoom Link your child will need to use each day to access our Virtual Learning Classroom (synchronous learning times) is listed below. In order to keep our Virtual Classroom safe, please make sure that your child is logged into a Zoom account displaying **their name** so I can be sure that each person entering the room is a student from our class. **CLICK HERE for our Zoom Class Link**

SUPPLIES - There are only a few additional supplies required to purchase: Marble Composition book (Writing), Pencils, Crayons, Glue Stick, Scissors, and Pencil Case.
