

Let's Sing, America!

Of Thee I Sing, America

There is a country full of dignity and life!
There is a country born of freedom, born of strife.
Of thee I sing!
Of thee I sing!
Of thee I sing! America.
Of thee I sing!
Of thee I sing! America.

There is a nation in a land of liberty.
There is a nation where the people all live free.
Of thee I sing!
Of thee I sing!
Of thee I sing! America.
Of thee I sing!
Of thee I sing! America.

America! America! The red, the white, the blue!
America! America! I sing this song for all of you!

I love my country, so I'll proudly take my stand!
I love my country, so I'll sing throughout the land.
Of thee I sing!
Of thee I sing!
Of thee I sing! America.
Of thee I sing!
Of thee I sing! America.
America, America!

The Star Spangled Banner

Oh say can you see, by the dawn's early light,
What so proudly we hail'd at the twilight's last
gleaming?
Whose broad stripes and bright stars,
Thro' the perilous fight,
O'er the ramparts we watch'd,
Were so gallantly streaming?
And the rockets red glare,
The bombs bursting in air,
Gave proof through the night
That our flag was still there.
Oh, say does that star spangled banner yet wave,
O'er the land of the free,
And the home of the brave?

Let's Sing, America!

She'll be comin' 'round the mountain when she comes!
Yee ha!
She'll be comin' 'round the mountain when she comes!
Yee ha!
She'll be comin' 'round the mountain,
She'll be comin' 'round the mountain,
She'll be comin' 'round the mountain when she comes!
Yee ha!

You're a grand old flag,
You're a high flyin' flag,
And forever in peace may you wave;
You're the emblem of the land I love,
The home of the free and the brave.

Every heart beats true 'neath the red, white and blue,
Where there's never a boast or brag;
But, should auld acquaintance be forgot,
Keep you eye on the grand old flag!

Oh, when the saints go marching in,
Oh, when the saints go marching in,
Oh, how I want to be in that number,
When the saints go marching in!

This Land is Your Land

This land is your land,
This land is my land.
From California to the New York Island,
From the Redwood forest to the Gulf Stream waters,
This land was made for you and me.

As I was walking that ribbon of highway,
I saw above me that endless skyway.
I saw below me that golden valley.
This land was made for you and me.

When the sun comes shinin'.
And I was strollin',
And the wheat fields wavin',
And the dark clouds rollin',
As the fog was liftin',
A voice was chanting,
This land was made for you and me.

For you and me, for you and me.
This land was made for you and me!

This land is your land,
This land is my land.

Let's Sing, America!

From California to the New York Island,
From the Redwood forest to the Gulf Stream waters,
This land was made for you and me.
Oh, this land was made for you and me.
This land is your land, my land..
It's our land!

(Part 2)
The spirit of America!
The spirit of America!
The spirit of America!
Is alive in me!

We Remember

There was a day when freedom's light seemed very far
away.

There was a day that looked like night;
We dreamed of yesterday.
But even when the day is dark
And rainbows hard to see,
Heroes walk among us and people still live free,
We still live free.

We remember the day we all stood strong.
We remember when we were one in song.
We remember,
Remember.

There was a day when Americans chose to take a stand.
There was a day when the best of friends
Offered up their hands
The world can still be beautiful but even when it's gray.
The sun will shine upon us and warm our tears away.
And so we say:

We remember the day we all stood strong.
We remember when we were one in song.
We remember,
Remember.
We remember,
Remember.

The Spirit of America

(Part 1)
This great country this great land,
All together now we stand.
Proud and strong,
Straight and tall;
Americans, one and all!

Ev'ry dreamer 'neath the sun
Shares one hope for ev'ryone.
All live free, great and small;
Americans, one and all!

The spirit of America!
The spirit of America!
The spirit of America!
Is alive in me!
