REVISED:

<p>35 P.S. Sec. 780-102 21 U.S.C. Sec. 812</p>	<p style="text-align: center;">227.1. VAPORIZERS, E-CIGARETTES & OTHER ELECTRONIC SUBSTANCE-DELIVERY SYSTEMS</p> <p>Definition</p> <p>Vaping equipment – an electronic device equipped with an atomizer designed to transform a user-supplied liquid substance into a vapor for purposes of inhalation, as well as peripheral or auxiliary equipment, parts, canisters or attachments for such devices. Such devices include but are not limited to e-cigarettes, vape pens, e-hookahs, and other devices that operate on the same principles as above.</p> <p>Guidelines:</p> <p>Possession of vaping equipment while under the jurisdiction of the School District will be penalized the same and to the same degree as possession of drug paraphernalia. An offense pursuant to this policy need not involve the use of the offending vaping equipment, and the nature of the liquid substance possessed, if any, is not material to the violation.</p> <p>Where the Administration has a reasonable belief that a liquid substance possessed for use in a vaping device is a controlled substance, the Administration may choose to have the substance tested. If such a test demonstrates the presence of a controlled substance, the Administration may also proceed against the possessor pursuant to Policy #227.</p> <p>References:</p> <p>School Code – 24 P.S.
