

Laundry Basket Golf

Number of players: 1 to 4

What you need: 1 sock ball per player (different colors for each person), 1 laundry basket, a score sheet and a pencil.

How to play:

- The object is to toss the sock ball into the laundry basket in the smallest number of tosses as possible.
- Move the laundry basket at least 10 steps away from where you will start tossing the sock ball. The youngest player tosses first in round #1. Players take turns tossing their sock balls at the basket. The player who tosses the ball into the basket in the smallest number of tosses, wins. The player who wins the round gets to go first in the next round.
- If you miss, the player furthest away from the basket takes a turn from the spot where the sock ball landed.
- After each round, do the exercise listed and then move the basket to a new spot to begin a new round.
