

June 2015

Dear Families and Friends of W.E.S.:

Welcome to Third Grade! We hope this note finds you looking forward to an enjoyable and relaxing summer. In an effort to help everyone prepare for the upcoming school year and avoid the back-to-school rush, we have a list of several items that ALL third graders could use for the beginning of next year.

1. A positive, excited attitude
2. 2 boxes of tissues
3. 2 packages of cleaning (such as Clorox) wipes (not baby wipes!)
4. A pair of scissors
5. Colored pencils and markers
6. 2 boxes of regular (#2) pencils...sharpened!
7. A glue stick
8. A zippered pencil case
9. 1 Expo marker
10. 1 plastic two pocket folder- red
11. 1 plastic two pocket folder- blue
12. 1 plastic two pocket folder- green
13. 1 roll of paper towels
14. 1 pump of hand soap

While this is a list of some of the "basics" for third grade, please don't worry if any item on this list is unobtainable (except the attitude!). We look forward to seeing you in September!

Enjoy your summer!
