

## On-line Access to Student Resources

1) Go to <https://www-k6.thinkcentral.com/ePC/start.do>

The screenshot shows the 'Students, Teachers & Administrators' login page on the Think Central website. The page has a light blue background with a grid pattern. At the top, it says 'Welcome to THINK central'. Below this is a dark blue header with the text 'Students, Teachers & Administrators'. The main form is white and contains the following fields: 'State' (dropdown menu set to PENNSYLVANIA), 'District' (dropdown menu set to Wallingford Swarthmore Sd, Wallingford 19086), 'School' (dropdown menu set to Strath Haven Middle School, Wallingford 19086), a checked 'Remember my information' checkbox, 'User Name' and 'Password' input fields, and 'Forgot User Name' and 'Forgot Password' links. A 'Log In' button is at the bottom of the form. A blue button labeled 'Evaluators Click Here' is located below the login form. Two red arrows are overlaid on the image: one points to the 'Remember my information' checkbox, and the other points to the 'Strath Haven Middle School, Wallingford 19086' selection in the School dropdown menu.

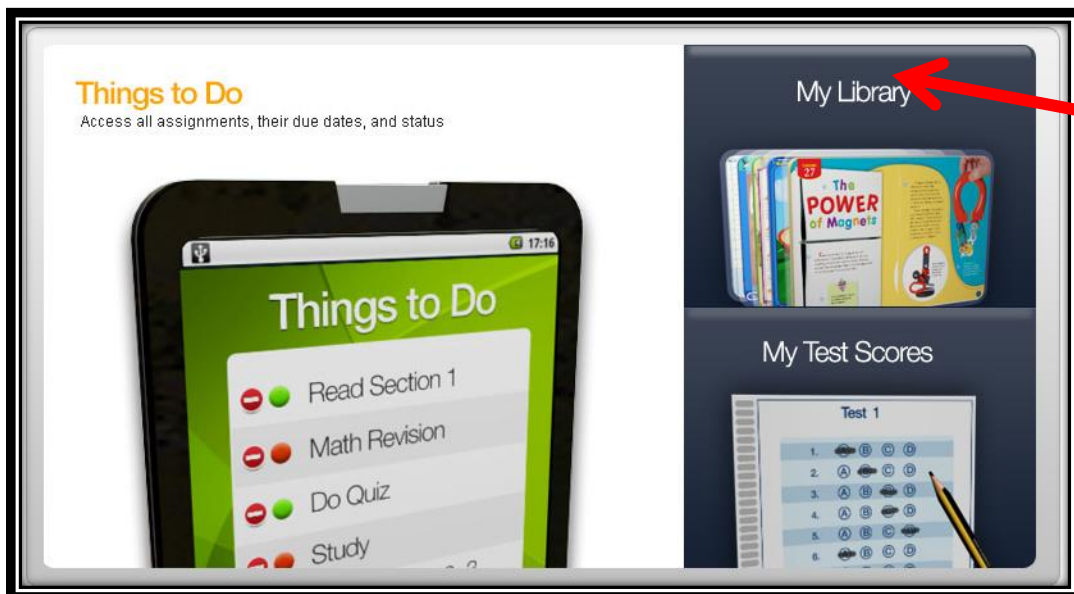

\*Regardless of the elementary school that your student attends, the school that **MUST** be selected in order to access the materials is **Strath Haven Middle School**.

\*\*By checking the “Remember my information” button, you will not need to enter this information again unless you use a different computer to gain access.
