

On-line Access to Student Resources

1) Go to <https://www-k6.thinkcentral.com/ePC/start.do>

The screenshot shows the login interface for 'THINK central'. At the top, it says 'Welcome to THINK central'. Below this is a dark blue header for 'Students, Teachers & Administrators'. The form includes several fields: 'State' (a dropdown menu set to 'PENNSYLVANIA'), 'District' (a dropdown menu set to 'Wallingford Swarthmore Sd, Wallingford 19086'), and 'School' (a dropdown menu set to 'Strath Haven Middle School, Wallingford 19086'). A red arrow points to the 'School' dropdown. Below these fields is a checkbox labeled 'Remember my information' which is checked, with another red arrow pointing to it. Underneath are 'User Name' and 'Password' input fields, each with a 'Forgot' link. A 'Log In' button is at the bottom of the form. At the very bottom of the page, there is a blue button labeled 'Evaluators Click Here'.

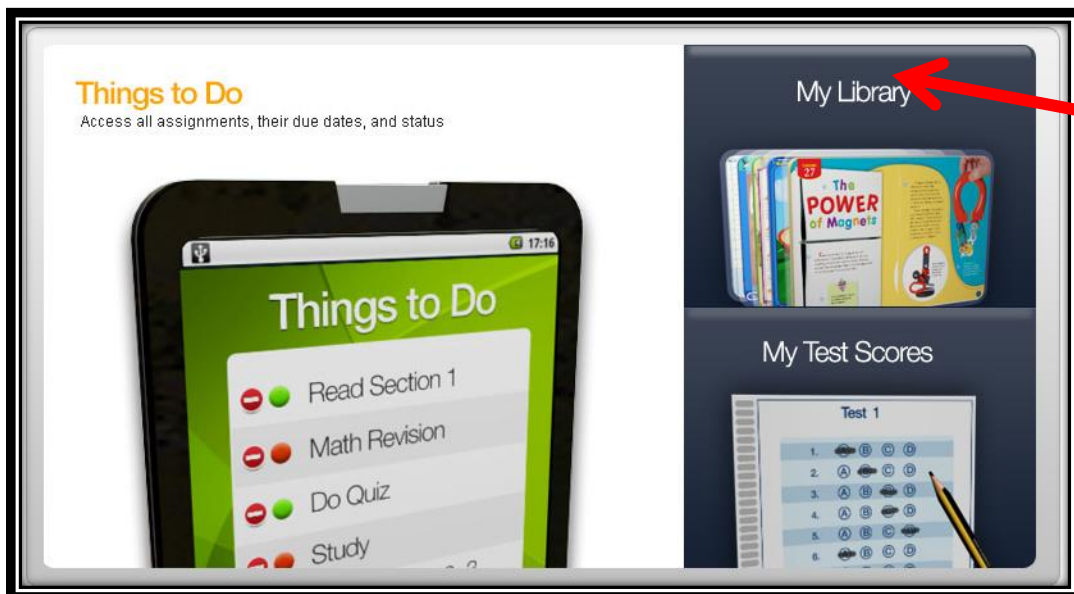

*Regardless of the elementary school that your student attends, the school that **MUST** be selected in order to access the materials is **Strath Haven Middle School**.

**By checking the “Remember my information” button, you will not need to enter this information again unless you use a different computer to gain access.

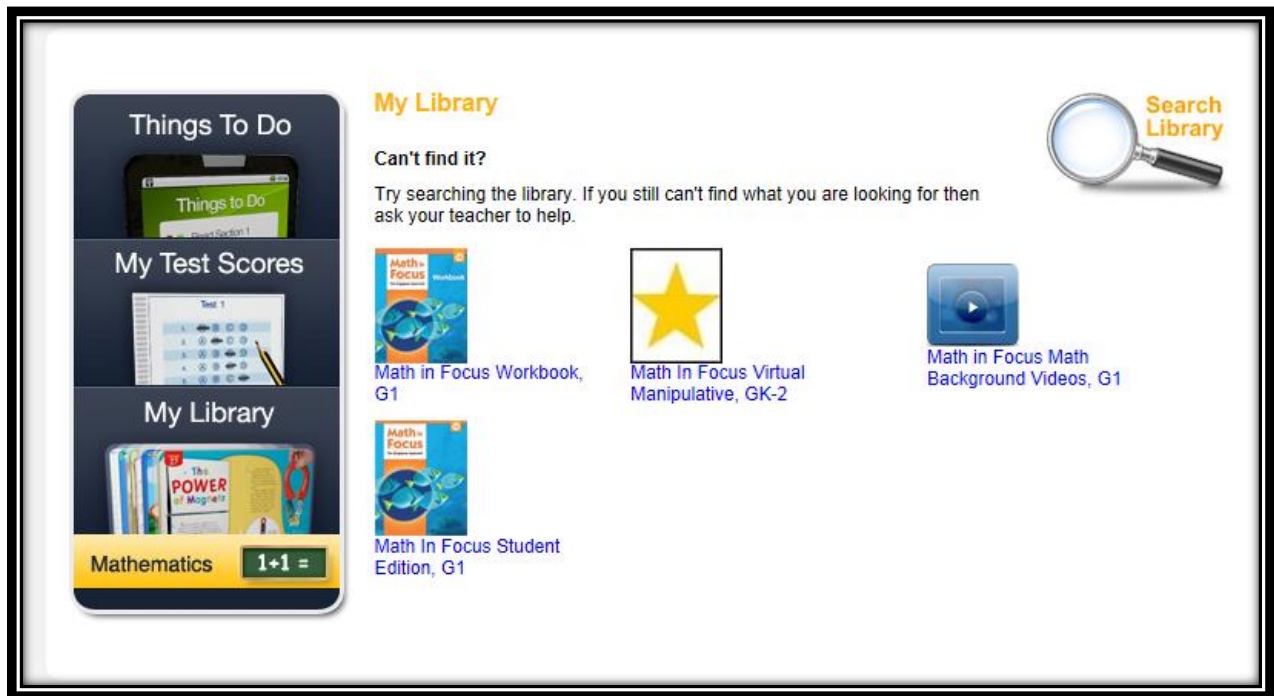

2) Usernames and Passwords

	Username	Password
4 th Grade	Parent4	wssdmath

3) Resources

*First screen gives you the above options. Only “My Library” will have anything to access.

*Other than Kindergarten, all other grades will have access to the following resources: (The screen shot above is an example from 1st Grade)

- Student Textbook
- Student Workbook (Not available for Kindergarten)
- Background Videos by Chapter (Provide the Big Idea(s))
- Link to Virtual Manipulatives
