PHONE (610) 892-3470

FAX (610) 892-3497

FINAL NOTICE

5/19/20

Dear Parents and Guardians:

The Pennsylvania Department of Health has mandated that all students in grade 12 have the following immunizations for the 2020-2021 school year:

- 1 dose of MCV (meningococcal) vaccine on first day of 12th grade. If one dose was given at 16 years of age or older, that shall count as the twelfth grade dose.

In anticipation of this, if your child has had a second dose of MCV or meningococcal vaccine, please send documentation to the high school nurse as soon as possible. Your healthcare provider can use this form to document the dose with the dates immunizations were provided.

Parents and guardians must provide documentation that their child obtained their second dose before school begins or within the first five days of the school year, beyond that the child will be excluded for non-compliance in their senior year.

Any questions for high school students contact Debbie Sweeney, RN, CSN at 610-892-3470 ext. 2141

Student Name: _____ Grade: _____

Address: _____ Date of Birth: _____

I certify that the immunizations listed were administered to the student named above:

- 1st dose of MCV Date: _____
