# Buddy Match!

The students on the left side of the page are sitting on the Buddy Bench for different reasons. Draw a line to match them to buddies on the right.

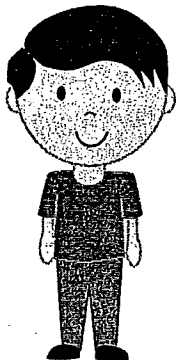

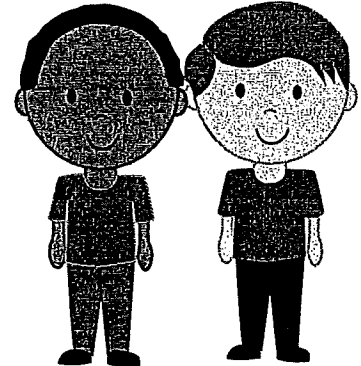

## On the Bench...

## On the playground...

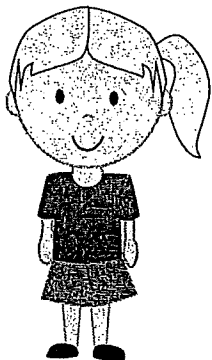

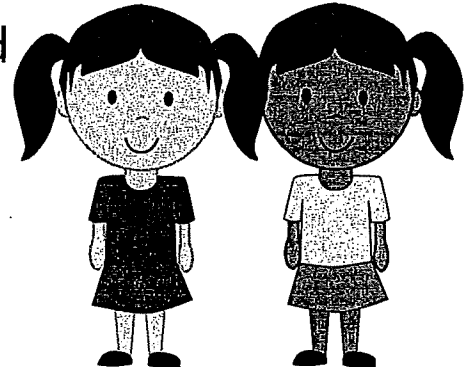

I want to play jump rope, but I'm not sure how to ask.

Tag would be more fun if we had three friends!

I'm tired of playing kickball but I still want to run!

We need three people to jump rope.

My best friend is sick today.

I wish I had someone new to play with.
