

MEET YOUR COUNSELOR

ABOUT ME

Hello!

I am so excited to begin my 8th year as the elementary school counselor at Nether Providence Elementary. Prior to NPE I spent 5 years as a counselor in the School District of Philadelphia. I

Have also previously worked as a behavioral health clinician and mental health counselor in schools.

I typically provide lunch bunches, small group & individual counseling.

I know that this year may bring new challenges. I feel excited and grateful for our year ahead. I look forward to learning and growing with your children, no matter what this year brings!

Thank you for allowing me to be a part of your child's life.
