

## Comic Strip assignment-20 points

Using your notes and the information you read in your textbook, create a comic strip that explains how one of the advancements towards civilization may have occurred. Be sure to use proper social studies vocabulary. (i.e. - Domestication, nomads, agriculture, fertile soil, surplus, etc.)

Choose one of the following advancements to create your comic strip:

1. Moving from nomads to villagers
2. Domestication of animals
3. Development of farming

Requirements:

- Minimum of six cells
- Title of Comic strip
- One sentence per cell that explains the action or use of dialogue that explains the concepts
- Create one graphic per cell to correspond with the sentence.
- Include and underline at least two vocabulary words from the unit.
