

# FIRE!!!!

Name: \_\_\_\_\_

Directions: Read each situation and explain how early human could use fire to solve the given problem.

1. Og is a hungry and must eat, but he has a hot date with a Neanderthal lady in 45 minutes. Eating a nutritious meal will take a good three hours. What should Og do?
2. Mula is a big, fat, tasty looking hominid. His main problem is he cannot fall asleep at night because he knows he is a prime target for cave bears. How should Mula solve his insomnia?
3. Lugo needs to find herself a man, but she is very shy. There are no dating services to help her out. How can Lugo get hitched to an eligible bachelor?
4. A not so bright band of early humans are trying their best to catch a herd of wild horses for a tasty mid-afternoon snack. However, every time they try to stab the horses, they run away. How could this band successfully capture and kill the wild beasts?

5. Two Toed Tommy lost his big toe in a hunting accident three years ago. Unfortunately, he did not learn from his mistakes and recently had his left foot bit off by a pack of wild wolves. How will Two Toed Tommy survive this attack and forever be known as Stumpy?
  
6. Ute is a slow poke. She never seems to be able to gather enough nuts and berries before the sun sets. Her family is starving because she is unable to collect enough food during the day. How can Ute save her family from starvation?
  
7. Bok is no Betty Crocker. Try as she may, she is unable to create a tasty dish for her family. Her children are withering away to nothing and her husband seems to be getting fed up with her lack of domestic skills. How can Bok come up with a way to make better food for her family?
  
8. Brute and Plute spend hours carving spears because they lose so many of them in the tough wooly mammoth hides when they are hunting. The spear points break off and then they need to use new spears with each thrust. Any ideas on how to save them some carving time?
  
9. Rugo's back is killing him. He has to wear five wooly rhino skins just to keep warm at night. How can Rugo heal his aching back and still look stylish?
