## **Anxiety and Children with Autism**

This workshop will provide an overview of anxiety and how it impacts your child on the autism spectrum. Participants will learn to identify the various signs and symptoms of anxiety. At the end of this training, participants will be able to identify indirect and direct strategies for supporting their children with anxiety.

**\*\* The content of this workshop is geared toward parents. There will be no Act 48 or continuing education credit offered if a professional chooses to attend this workshop.**
