To respond to a critical need for Before and After school care in our community.
To provide additional options for the families of Holy Trinity Nursery School.
To support the growth of the whole child, intellectually, socially, and spiritually.
To provide nutritious snacks and breakfasts, and encourage healthy eating habits.

Crossroads is an equal opportunity program. Families are enrolled on a first-come, first-served basis.

About our philosophy :
We believe children learn best when they are actively engaged and given the chance to explore new ideas. We use a thematic approach which utilizes hands-on-learning. Themes are selected by a variety of methods including student suggestion, school district curriculum, holidays, world events, and state standards.
All activities are linked to the PA State Learning Standards.
