Wallingford-Swarthmore School District SHHS Chromebook Use Agreement

The Wallingford-Swarthmore School District (“District”) has made a Chromebook available to students at Strath Haven High School to facilitate increased learning opportunities through the integration of technology into academic instruction. Students are responsible for the appropriate care and use of the Chromebook. Each student will receive an assigned Chromebook once the Student and Parent have completed this agreement form. Students **MUST** return their school issued Chromebook and charger before the end of the school year or when requested by a school official.

NOTE: At this point, the District is not charging a technology or insurance fee as part of this Chromebook 1:1 initiative. The District administration will monitor and review Chromebook damage costs to determine if this policy of no technology or insurance fee can be maintained in the future. However, a fee may be charges for intentional damage to your assigned Chromebook. A charger is provided for each assigned Chromebook. Students are responsible for the replacement of lost/damaged Chromebook charging plugs. Replacement chargers must be purchased from www.dell.com (Dell Part 492-BBKH) or the SHHS School Store (approximately \$60). Compatible or refurbished replacement charger cannot be accepted and may not be safe.
