

October Homework Calendar

Due the last school day of the month: Friday, 10/29

Week	Monday	Tuesday	Wednesday	Thursday
1	Taking turns with someone, practice writing numbers 1-6 on each other's backs. You can even play it as a guessing game!	Practice writing lowercase letters "i" and "u" 5 times each.	Using three pairs of shoes or sneakers, describe how each pair is alike or different. How many shoes do you have in all?	Practice writing lowercase letters "c" and "o" 6 times each.
2	Place 8 of the same object in a circle. Practice counting them (clockwise). Do it again, but start at a different place. Do you always get 8? Why?	Using a healthy cereal or snack, line up pieces to create numerals 1-7. Eat them when you are done.	Practice writing lowercase letters "a" and "g" 7 times each.	Compare your summer shoes with your winter shoes. How are they different? Why?
3	Draw 5 pumpkins that are different from each other.	Do 8 jumping jacks, 8 hops, and 8 squats. Why are they the same? How are they different?	On a piece of paper, write... 1 22 333 4444 55555 666666	Practice writing lowercase letters "d" and "s" 8 times each.
4	Find 4 things in your kitchen that are the same. Find 4 things in your kitchen that are different.	Stand on your left foot while counting to 10. Stand on your right foot and do the same.	On a piece of paper, write... 55555 666666 7777777 88888888 999999999	Compare socks at home. How are they the same? How are they different?
