

ADVANCED PLACEMENT EXAM REGISTRATION

ONLINE AP COURSE REGISTRATION

At this time, all fall and yearlong AP students should already be registered for their AP exam. This process was completed in class on the [College Board website](#). Taking an AP Exam is a mandatory requirement of enrollment in an AP Course.

Any student who failed to complete the registration process must do so independently by November 4, 2021 in order to avoid a \$40 late fee. Late fees are imposed by the College Board, not SHHS.

Please note: Students who have a 504 plan or IEP and require testing accommodations must apply through the College Board. The due date for application is January 18, 2022. Contact Regina Hollis with any questions (rhollis@wssd.org).

AP EXAM FEE: \$96

AP Capstone fee (Seminar and Research): \$144

LATE REGISTRATION FEE: \$40 per exam

FALL/Yearlong courses: Due November 15, 2021

Spring courses: Due March 1, 2022

AP EXAMS WILL BE ADMINISTERED BETWEEN MAY 2-13

HOW TO MAKE A PAYMENT

Students may submit payment by check to Mrs. Seifrit in the Guidance Office. Checks can be made payable to Strath Haven High School with the student's name in the memo line. **At this time, you are only paying for the exams associated with your fall and yearlong AP classes.**

Students taking an AP class in the spring semester will be provided a window of time to complete registration on the College Board website. Payment for spring classes will be collected in February.

Students who experience financial hardship or require an extension on payment should communicate with their school counselor. Requests will remain discreet.

Any student who qualifies for free and reduced lunch may request a fee waiver through their counselor.
