

The district has purchased ClassLink which is a secure *Cloud Storage Solution* for all faculty (K-12) and students (grades 3-12). The secure login to ClassLink is tied to each user's WSSD network account (same username & password used to login to WSSD computers). Via ClassLink, students will have access to their own 5GB of cloud storage, as well as seamless access to their school network storage (P: Drive) from any device with an Internet connection, both on and off campus.

Also within ClassLink, WSSD teachers are able to utilize a *Virtual Desktop* and a closed *Learning Management System* with their students to enhance instruction, increase communication, and reduce paper.

If you would like your child to have a ClassLink account, please follow the directions below and fill out the ClassLink form with your child so they understand the responsibilities and requirements.

Note: It could take up to 7 days for an account to be activated once this form is digitally signed by **both** parent and student and submitted. Students will be notified by their homeroom or 1<sup>st</sup> block teacher (SHHS) when their account is active. **All students who have already completed the online signup with their parents have active accounts. Their ClassLink username and password are the same as their WSSD computer login username and password (not their MMS login ID)**

Find out more information about your child's WSSD ClassLink account @  
[www.wssd.org/classlinkstudents](http://www.wssd.org/classlinkstudents)

### [ClassLink Registration Directions for Students/Parents](#)

Step 1 – Login to the Parent Portal (must be listed as Contact 1 for your child) - <http://mms.wssd.org/mmsgb/parent>

Step 2 – Click on *Student Enrollment Packet*

Step 3 – Click on *Continue*

Step 4 – Click on *ClassLink*

Step 5 – Complete the registration with your child

**\*\*If your child is in a Grade below 3rd Grade, please skip this form\*\***

The district has purchased ClassLink which is a secure Cloud Storage Solution for all faculty (K-12) and students (grades 3-12). The secure login to ClassLink is tied to each user's WSSD network account (same username & password used to login to WSSD computers). Via ClassLink, students will have access to their own 5GB of cloud storage as well as seamless access to their school network storage (P: Drive) from any device with an Internet connection, both on and off campus.

Additionally within ClassLink, WSSD teachers will be able to utilize a Virtual Desktop and a closed Learning Management System with their students to enhance instruction, increase communication, and reduce paper.

If you would like your child to have access to ClassLink, please sign to agree to the terms.

By requesting access to a ClassLink account I agree to:

- Accept the district's Acceptable Use of Networks-Internet-Computing Resources and CIPA Internet Safety Compliance Policy (School Board Policy 815A) when using my ClassLink account.
- Keep my password protected, not share it with ANYONE, and change it immediately if I believe that it has become known by someone else.
- Only use school-related documents and files in the ClassLink Cloud storage.
