

2021-2022 Sixth Grade Supply List

Welcome to 6th grade! The 6th grade team has worked together extensively to create a supply list that encompasses all that is needed for the students to be successful. We ask that each student comes prepared with the items listed below according to the color coded system that is listed. This will help the students in compartmentalizing their various parts of their day.

Students should have multiple pencils, erasers, and a set of headphones in their pencil cases at **all** times.
