COURSE PLACEMENT WAIVER FORM

It is the philosophy and policy of Strath Haven High School to allow students to register for any course offered to their grade level and for which they have met all of the prerequisites. Although teachers and counselors make recommendations for courses they believe are academically appropriate, the student and his/her parents ultimately have the responsibility to decide on the program for each individual.

This form will be considered as a waiver by parents of school responsibility for any subsequent sectioning or scheduling problems which may result in an inappropriate program for the student.

Submission of the waiver form represents a commitment from the student and his/her parents to complete the course.
