# Mission and Vision Statements

## MISSION

The Wallingford-Swarthmore School District is committed to assuring the academic achievement and personal growth of all students within an environment that promotes:

- Respect for self and others
- Active engagement in learning
- Leadership in the global community
- The pursuit of excellence

## VISION

Our vision is to develop a world-class school district that provides students with the skills to succeed in a changing global environment. This vision will be realized through a commitment to high-quality programs and continuous improvement based upon careful analysis and integration of the most effective practices.
